

Environmental, Social and Governance Policy

1 Introduction

BMC's environmental, social, and governance policy is rooted in our mission to operate responsibly and sustainably in a way that respects, protects, and fulfills human rights and fundamental freedoms. This policy sets forth standards for business conduct and human rights and enables BMC to identify its environmental and social impacts, mitigate potential risks, and advance human rights in a way that is transparent with our stakeholders. Our commitment includes maintaining ISO 14001 Environmental Management, ISO 50001 Energy Management, and ISO 45001 Health and Safety certifications, as well as annual disclosures to the Carbon Disclosure Project (CDP), EcoVadis, achieving our approved Science Based Target (SBTi) goals, and adherence to the Corporate Sustainability Reporting Directive (CSRD).

2 Scope and Compliance

This policy is applicable to all officers, directors, employees, suppliers, and affiliates of BMC Software. Failure to comply with the policy, including not reporting actual or suspected violations of which you are aware, may result in disciplinary action, including but not limited to termination of employment.

Employees are required to comply with this policy as described in the **Overview of Corporate Policies**.
